Testimonial and Associate Resource Disclaimer

Websites and other services and products produced by Holly S. Schmitt and the Company may contain various client testimonials and reference to other resources, providers and products. Any such testimonials do not constitute a guarantee, warranty or prediction of a given outcome of that particular modality or treatment for a given client or a particular issue. Holly Schmitt and the Company have no affiliation and make no guarantees of the effectiveness or veracity of any third party product, service, resource or individual. All materials and associated resources are posted in good faith, and Holly Schmitt and the Company accept no responsibility or liability whatsoever for the use or misuse of any information provided herein, including links to other resources of any kind. Holly Schmitt and Company are not liable for any outcome that may occur from doing “Energy Healing” on people in person or remotely. Please consult a trained medical, legal, or financial professional before making important decisions on these matters. The only thing Holly Schmitt claims to do is support awakening the natural transformational forces within you; all results that occur thereafter are created by your own energy and actions.
